Dear Parent / Carer

At Beccles Free School, we believe that communication between school and home is imperative in ensuring your child's success at school. Co-operation is one of the "6Cs to Success" which underpin the ethos of all Free Schools in the Seckford Foundation Free Schools Trust. As such we aim to build effective relationships with the parents / carers of our students in order to ensure achievement and progress.

To that end, I write to invite you to a Tutor evening for your son / daughter where we can discuss together how your child's attitude to learning has been since they have been on the A2L mandatory report.

This will take place on **Tuesday 28 March at 4pm – 5.30pm**. Please add this to your calendar.

Form Tutors and Pastoral Leaders will be available at the evening to discuss how your child is progressing and answer any questions you may have about how we can work together to support your son / daughter with their education.

A booking form has been given to your son / daughter for them to make an appointment with their tutor. Please make sure that your son / daughter knows the times between which they should be making an appointment with their Form Tutor.

These evenings are an extremely important part of the dialogue between parents / carers and teachers which allow us to continue to ensure we are *'providing a foundation for life'* for your son / daughter. I look forward to seeing you at the event.

Yours faithfully,

**Mrs M Herod
Assistant Headteacher**
