

Dear Parent / Carer,

We are all looking forward to welcoming our students back next week. Plans are all in place for our testing process. We appreciate your support in enabling us to keep our school and local community safe by testing our students. If you have forgotten to complete the consent form, please do use the link below. The form can be found at the bottom of the page "NHS Test and Trace Registration and Consent form for Covid-19 Testing". There is no need to give consent if you have previously done so.

Further information on home testing for students, along with the kits, will be shared with you once received from the Department for Education.

If you have any queries or struggle to access the consent form please do contact the school office - 01502 718850 or beccles@seckfordeducation.org.uk
