Dear Parents/Carers

Parents and carers of children who have been advised to self-isolate by their schools or by NHS Test and Trace are now able to apply for a [Test and Trace Support Payment](#) or discretionary payment of £500, if they meet the eligibility criteria. The extension of the Test and Trace Support Payment scheme is intended to ensure that parents receive the financial support they need if they are unable to attend work due to childcare responsibilities.

Applications for the Test and Trace Support Payment scheme are made via the local authority in which the parent or carer resides, not the local authority where the setting is situated, if these are different.

To be eligible applicants must meet all the criteria that:

- they are the parent or guardian of a child or young person in the same household and need to take time off work to care for them while they self-isolate. This is limited to one parent or guardian per household for the child or young person's self-isolation period.
- they are employed or self-employed.
- they cannot work from home while undertaking caring responsibilities and will lose income as a result.
- they meet all the other means-tested eligibility criteria for a Test and Trace Support Payment or locally determined criteria for a discretionary payment.

That their child:

- is aged 15 or under (or 25 or under with an Education, Health and Care Plan (EHC)) and normally attends an education or childcare setting.
- has been told to self-isolate by NHS Test and Trace or by their education or childcare setting because they have been identified as a close contact of someone who has tested positive for Covid-19.

Nurseries, schools, colleges and further education providers are required to provide a letter to all parents or carers of the children advised to self-isolate, to support their application to the Test and Trace Support Payment scheme.

Inspiring, enabling and celebrating each and every young person's personal best

A [template letter is available for early years and primary schools](#) on the primary schools document sharing platform titled with the code RP81. [A template letter is available for secondary schools and further education providers](#) on the secondary schools and colleges document sharing platform titled with the code RP83. The letter must detail the child's name and date of self-isolation. Parents or carers will then be able to provide this letter to their local authority as evidence that their child is required to self-isolate.

Yours sincerely,

Mrs Philpott
Head of School
