At SET Beccles School our students are part of one of four houses; Blyth, Orwell, Minsmere and Waveney. You will have already been allocated your house.

The houses represent rivers on the Suffolk coast. Your challenge is to do some research into your river and create a poster, fact-file, or leaflet. If you have the opportunity, you could even go and visit one of them and take a photo of you there to include in your findings.

Parents and Carers

Our Team Leaders are the main point of contact between home and school and meet with their Team group for morning and afternoon registration as well as Team Time challenges and PSHE activities. A positive relationship with your Team Leader is essential and it is just as important for you, as parents and carers, to become familiar with this key member of staff in your child's education.
